

17:30–19:30 Kantor Coffee

An event for students of **CTU and UCT** to find new connections. Do you want to meet other students in the Dejvice campus? Find new friends? Meet someone you can ask out on a date?

We'll spend some time together and try to get to **know each other** and connect. You will meet new people in a playful way and then participate in **speed dating**. After that, it's up to you.

> Respect is sexy. Consent is key.

The event will take place in Kantor Coffee in the Faculty of Civil Engineering building (Thákurova 2077/7) and is meant **for Ph.D. students and postdocs.**
